FRISCO POLICE INVESTIGATE CRIME SPREE

FRISCO, TX – On February 6th, Frisco Police Officers responded to 12104 Jereme Trail, in reference to a Weapons Offense. Upon arrival, officers discovered a silver passenger car on fire, fully engulfed in flames.

Officers made contact with a witness at the scene, who stated that his vehicle had been stolen earlier in the day. The victim stated that after he discovered his vehicle had been stolen, he began looking around his neighborhood for it. He encountered a white male, later identified as 39 year old William Chad Coleman, behind 12104 Jereme. Coleman was sitting in a silver vehicle holding something that was burning. Coleman got out of the silver car and pointed a gun at the witness, telling him to leave. The witness, who feared for his life, ran. A few seconds later, the witness saw Coleman drive past him in his vehicle that had been reported stolen earlier in the morning.

Officers began a search of the area to locate the vehicle. While Frisco Officers searched the area, they received notification that Collin County Sheriff's Deputies were in pursuit of the suspect vehicle outside the city limits of Frisco. Coleman was ultimately taken into custody by McKinney PD for offenses that occurred in their jurisdiction.

Due to the proximity of the incident to Curtsinger Elementary School, the school was placed on lock down until it was determined that Coleman was out of the area.

This case is still under investigation and charges will be filed at a later date. Please refer to CFS numbers 14-10217 or 14-10177 for additional information pertaining to this case.

We have no additional information to release at this time.
